

UNIVERSITY OF PRIMORSKA

PROCEDURES AND DEADLINES FOR SUBMITTING AN APPLICATION FOR ENROLMENT INTO MASTER'S DEGREE STUDY PROGRAMMES IN THE ACADEMIC YEAR 2026/2027

ENROLMENT PLACES

The number of available enrolment places for enrolment for each master study programme is announced under the individual study programme in the Call for enrolment. Enrolment places are announced separately for citizens of the Republic of Slovenia and citizens of the Member States of the European Union (hereinafter: Slovenian citizens), Slovenians abroad, citizens of Western Balkans countries, with which the Republic of Slovenia has a bilateral agreement in the field of education (Bosnia and Herzegovina, Montenegro, Kosovo, Serbia, North Macedonia)¹ and citizens of other non- European Union countries.

Applicants for places allocated to Slovenian citizens may also include citizens of non- European Union countries (hereinafter: foreign citizens) who have permanent residence in Republic of Slovenia, and citizens of non- European Union countries who have permanent residence in Republic of Slovenia and who themselves, or at least one of their parents or legal guardians, are tax residents of the Republic of Slovenia prior to the start of the selection procedure.

The available places are also intended for persons granted international protection and applicants for international protection in accordance with the International Protection Act (Official Gazette of the RS, No. 16/17 – consolidated text and 54/21), and for displaced persons under temporary protection in accordance with the Temporary Protection of Displaced Persons Act (Official Gazette of the RS, No. 16/17 – consolidated text).

Nationals of the following non-EU Member States: Norway, Iceland, Liechtenstein, and Switzerland shall be treated in the same manner as Slovenian nationals and nationals of the European Union. From the academic year 2021/2022 onwards, nationals of the United Kingdom shall be enrolled as nationals of non-EU Member States, and their studies shall be subject to the payment of tuition fees.

APPLICATION FOR ENROLMENT

Candidates for enrolment in master's study programmes at the University of Primorska (UP) may submit a **maximum of three (3) applications** (with one study wish each) for enrolment into study programme, in which they wish to enrol and for which they meet or will fulfil the conditions for enrolment (admission requirements) by the deadlines published with this Call. Every completed submission of an electronic application in the eVŠ web portal is considered an application.

Enrolment places for Slovenians abroad

¹ A Protocol in the field of education with the Republic of Albania regarding exemption from tuition fees for full-time study for Albanian nationals is currently being prepared. Nationals of the Republic of Albania shall submit applications for enrolment to the study places intended for foreign nationals from non-EU Member States. If the protocol in the field of education is adopted by the beginning of the academic year 2026/2027, nationals of the Republic of Albania shall be exempt from paying tuition fees for full-time study, subject to the principle of reciprocity.

Slovenians abroad may submit only one application in the same application period, either as a “Slovenian abroad” or as a “citizen of a European Union Member State” or a “foreigner from a non-European Union country”.

At the first step of filling the application for enrolment ("Choice of the call for applications for enrolment and types of application"), a candidate, who is a Slovenian abroad, answers with "YES" to the statement "I am Slovenian abroad". At the next step, they must indicate which of the following two categories they fall into:

- Slovenians in the neighbouring countries (Slovenians who are members of the ethnic Slovenian community in all four neighbouring countries – Italy, Austria, Croatia and Hungary);
- Slovenians around the world and descendants of persons of Slovenian ethnicity up to the third generation in a direct line (expatriates and emigrants living in the neighbouring countries outside the area defined as the Slovenian cross-border area and in other European and non-European countries)

By signing the application form, the candidate guarantees the truthfulness of the information stated in the application for enrolment, thereby confirming that they are a Slovenian abroad, which means that they fall into one of the two categories listed above.

NOTICE FOR ENROLLED STUDENTS

Students who want to change the study programme and have not yet exercised this right or the right to repeat it must apply in the same manner as other candidates. This also applies to students who want to change the manner in which they study in the same study programme in the first year. Both submit the application for enrolment on the eVŠ web portal (<https://portal.evs.gov.si/prijava/>).

Candidates who **have already repeated or changed their study programme once** may apply for full-time studies, although their studies are subject to a tuition fee in accordance with Article 137 of the Higher Education Act.

Candidates who want to repeat the first year of the study programme in which they enrolled in previous years do not submit the application for enrolment via the eVŠ portal. In order to be re-enrolled in the same year of the study programme in which they are already enrolled, candidates must meet the conditions for a repeat year. Students receive information on the procedure and conditions of enrolment for a repeat year at their faculty. This also applies to advancement to a higher year in the study programme in which the candidate is already enrolled.

Candidates can also apply to the same study programme in which they had already been enrolled and have signed out. The studies referred to in the previous sentence are subject to a tuition fee (Paragraph 7, Article 137 of the Higher Education Act). For more information, applicants can contact the faculty.

The candidate is deemed to have been informed of the content of the document or notification by logging in to the eVŠ portal. When the document is delivered in person via the eVŠ

The date of the electronic confirmation of the electronic service of the document referred to in the previous sentence shall be deemed to be the date of service of the document. If the document is not collected by the candidate within five days of the date of receipt of the information message on the electronically deposited document on the eVŠ portal, service shall be deemed to have been affected on the day on which this period expires.

The faculty will invite admitted candidates to enroll in the study programme. The candidate will receive instructions, deadlines and other important information regarding the enrolment and beginning of the study year.

The enrolment in study programmes must be **concluded by 30 September 2026**. Competent commission can grant an extension for justified reasons but not later than 30 October 2026, based on a candidate's request. Regardless of the justified reason, the candidate must submit the application for enrolment in the eVŠ by the deadline set in the Call for enrolment.

It is considered that a student who, after the first enrolment in the first year of a master study programme, signs out by 15 October 2026 has not enrolled in this study programme.

TUITION FEES

Tuition fees and other study fees for the academic year 2026/2027 are determined in the Pricelist of the University of Primorska - 2026/2027, accepted by the Managing Board of University of Primorska. The Pricelist is published on the websites of the University and each Faculty.

Notwithstanding the previous paragraph, citizens of the Republic of Slovenia and citizens of the European Union are charged a tuition fee if they have already acquired education that corresponds to at least the level of education acquired under the study programme in which they are enrolled.

Under the same conditions as Citizens of the Republic of Slovenia (without payment of tuition fees for full-time study), the following may also pursue for:

- Slovenians abroad;
- foreign citizens of non-European Union countries who have completed upper secondary education in the Republic of Slovenia and passed the matura examination;
- foreign citizens of non-European Union countries who have permanent residence in the Republic of Slovenia and who themselves, or at least one of their parents or legal guardians, are tax residents of the Republic of Slovenia prior to the start of the selection procedure;
- person granted international protection, applicant for international protection, and displaced person under temporary protection;
- citizens of the following non-European Union countries: Norway, Iceland, Liechtenstein, and Switzerland.

On the basis of the signed protocols on cooperation in the field of education, citizens of Montenegro, Kosovo, North Macedonia, Bosnia and Herzegovina and Serbia are on an equal footing with citizens of Slovenia and citizens of EU Member States with regard to the payment of study costs for the 2026/2027 academic year, i.e. they are exempt from the tuition fees for foreign citizens for full-time studies.

Tuition fees are also charged to candidates who have not yet obtained an education corresponding to at least the level of education acquired under the study programme in which they are enrolled and who have already exercised the right referred to in the second or third indent of the first paragraph of Article 111 of the Higher Education Act (i.e. they have already changed their study programme or field of study, or repeated any year at the same level of study), unless they enrol in a higher year than the one in which they were previously enrolled at the same level of study.

Candidates who have already repeated a year once or have already changed their study programme once may apply and be admitted to full-time study; however, tuition fees are payable for their studies in accordance with Article 137 of the Higher Education Act. Tuition fees are not charged only if the student enrolls in a higher year than the one in which they were previously enrolled at the same level of study.
